From Les: I have traveled the world in the last 50 years while I have been married to my wonderful wife Vicky of Osakis MN. She has given me 3 beautiful, wonderful children who have further given us 12 grand children... 4 in Savannah GA moving back to TX, 4 in Jackson MN, and 4 in Burnsville. Her immediate family can no longer fit into the little farm house living room any more, there are now 120 of us just for Christmas. My children are all very successful and my oldest is graduating in May with a full ride scholarship to Texas A&M... as a Lt Colonel just like his Dad... in the ROTC Army program. 5 boys and 7 girls... all of them have received their place in the National Honor Society. I have managed to spend 45 years working in Graphic Design, Packaging Design, Entrepreneurism, Product Invention, Marketing, Film Production, Photography Art Direction, recording as a singer/songwriter ASCAP with my #1 Hit Single out this year worldwide in over 125 major cities around the world. I have received numerous awards for my music from the 2007 Hollywood Music Awards - Worship Artist of the Year, to 6 other awards 2 in the UK Songwriting as top 30 songs out of over 6,300 submitted worldwide. I have had a 20 year relationship with the Nuer people the largest tribe in South Sudanese. I have been to remote villages in 2009 where I was the first white person to come to his village just across the border of Ethiopia in 100 years since the British Army. I have been back 2 other times to work in Malakal which was the capital city of the Upper Nile State. I lived on the Nile River there for about 3 months in the Nile Palace (African hotel not quite the Hilton). I am considered a friend by the Vice President who is the one who brought about the South Sudan separation of the country. I have traveled to India 2 times to Mumbai, Shanghai China and made some of my parts there. I traveled to South Korea 2 times and visited my son on his first Army Duty after graduating from Concordia College in Moorhead. My greatest strength is in helping others achieve their dreams as an Imagineer. My book just came out April 1st and is on Amazon, Barnes & Noble and my publisher Xlibris. Go to my website to find all the connections to my music or listen and purchase my music. (The Hit is "Where Are You Goin"). If you would like to purchase a book I can give you a special deal if you purchase direct from me.

Everywhere else is \$29.95 for the softcover plus shipping and \$39.95 for hardcover. However, if you send me an email with your address and I will send you billing via PayPal for only \$22 plus \$4 shipping. Or for Hardcover \$32 plus \$4 for shipping. I hope you have a great time as I will not be at the party. It has been a wonderful heritage having had you all as my classmates and I appreciate each one of you.

Marital Status: Married

No. of Children: 2

Now

From Ken: Had a great time at all our reunions 10th through this 45th. What a great class we were!!

Side note:

In case anyone is wondering, I did not die in 2010 - that was my father Kenneth B Rubenzer.

If you saw political signs with my name, I did not run for state office in 2012, that was my son, Kenneth Scott Rubenzer.
